Wyndham House

Wyndham House is a well recognized charitable organization that has worked to shelter and support homeless and at-risk youth for more than 46 years in Guelph, Wellington. Over 500 youth came through our doors last year looking to find housing, food, critical services, healthcare and life skills supports so they can move beyond a current crisis towards stabilizing their lives. These services include; Two Long Transitional Homes, a Youth Emergency Shelter, a Youth Service Hub, Housing Stability Teams and Youth in Transition Services.

Please join us for an evening with Beverley Mahood!

You are invited to join us on Friday March 27, 2020 at the Opus Lounge in downtown Guelph for a fun and memorable country themed evening dedicated to supporting homeless and at-risk youth in Guelph Wellington. Guests will enjoy a dynamic experience with our host Beverley Mahood that includes two performances! Beverley Mahood is a very successful Canadian singer-songwriter, actress, model, and television host. With a passion for community that rivals her love of music, Beverley is a devoted supporter of charitable endeavors with a focus on children. Guests will enjoy an evening of great music, delicious food, exciting auction items and don't forget to "Rock your Denim."

A LITTLE BIT COUNTRY is our signature event, and draws together people, like you, who are committed to growing the conversation to end youth homelessness, reduce the stigma, and to improving their young lives through relevant services and supports.

Wyndham House is pleased to offer a variety of sponsorship opportunities for the **A LITTLE BIT COUNTRY** event. Please review the incentives and benefits to find a level that best suits your needs. A donation of an auction item and purchasing tickets also allows for a variety of opportunities to provide resources and hope to those who need it most.

Your support will not only help Wyndham House continue to provide ongoing services but will also directly show your support for the most vulnerable youth in our community. We do not do this work alone; we rely on community partners to support the work we do each day.
